

EASTI DAMAYANTI

UI/UX | Project Management | Data Analysis

Indramayu, West Java Province | Phone: [087726530201](tel:087726530201) | Email: mailto:eastidmyt@gmail.com

SUMMARY

Software Engineering 8th semester with hands-on experience in UI/UX design, frontend development, project planning, and quality assurance. Proven track record of leading teams, delivering end-to-end digital products, and translating user needs into intuitive interfaces. Experienced with agile tools, design systems Figma, and data management. Seeking an IT role in UI/UX, project management, frontend development, QA, or data analysis.

WORK EXPERIENCE

PIC Of MBG Partnership – Hanaya Batik Group

As Person in Charge (PIC) (December 2025 - June 2026)

- Managed attendance records and all volunteer data for the MBG programme, using Excel to CRUD data records.
- Monitored Penerima Manfaat data including Balita, Bumil, and Busui health records.
- Acted as representative for daily facility and operational reporting to partnership coordinators.

Software Developer – Internship

CV Creative Gama Studio (July 2025 - December 2025)

- Built a POS web system (SIBengkel) end-to-end: designed user flow, database architecture, and operational workflow.
- Led a team of 8 members in migrating SIMDES website from PHP 8 to Laravel 12, normalizing 200+ database tables while improving layout consistency and UX.
- Implemented dual-role access control using Laravel Spatie package, reducing code redundancy.
- Created dynamic features for correspondence (Persuratan) and population data (Data Kependudukan) with real-time sync logic.
- Developed both public-facing and admin-side modules for letter submission with full synchronization.
- Produced software testing documentation to verify functional and usability requirements.

- Conducted daily reviews directly with company director.

Administrative Staff – Part-Time

PT. Arijona damai Sejahtera gas and retail agent (2022 – 2024)

- Supported daily operational administration tasks.
- Managed and organized distribution base data (pangkalan) using Excel.

IT Support – Part-Time

PD. Putri Indrasari (2024 – 2025)

- Maintained and updated company landing page, monitoring performance and ensuring functionality.
- Designed promotional banners using Canva and Figma; managed publishing on social media and the website.
- Produced comprehensive product catalogs with accurate, visually appealing presentations.
- Built an automated Excel Invoice application handling sales, shipping, and invoicing eliminating a website subscription cost Rp 320,000/month.

PROJECT EXPERIENCE

PetaniTech Website – Website Developer

Administration System (September 2024 - December 2024)

- Collaborated with Backend Developers and System Analysts to define application concepts.
- Designed mockups, logos, and copywriting using Figma and Canva.
- Developed the frontend by slicing mockups into HTML and CSS.
- Enhanced interactivity with JavaScript.
- Built functional backend using POSTGRE SQL, PHP and Laravel Framework.

PORTALGANK Website – UI UX Designer

KMIPN VI (June 2024 - July 2024)

- Designed application concepts and contributed to the project's success in reaching the top 15 in the competition.
- Created detailed user interfaces and website banners and vector using Figma.

AI Machine Translation Model - Developer

Undergraduate Thesis (June 2024 - July 2024)

- Conducted literature review of international and Indonesian journals on machine translation.
- Planned and documented the full project, scope, dataset strategy, model training plan.
- Created a corpus include 10,975 pair parallel sentence dataset Indonesian to Indramayu language, through OCR, AI generation, and manual validation.
- Executed model training across multiple epochs; analyzed results to determine optimal performance parameters.

PetaniTech Mobile – Frontend Developer

Mobile Apps Flutter (September 2024 - December 2024)

- Created assets such as icons and app banners.
- Designed mobile mockups using Figma.
- Implemented frontend development using React JS, HTML, and CSS. Developed user-friendly interactive features with JavaScript.

ACTIVITIES

IPEC Competition – Online

Participant in Speech Category (9th October 2024)
